TALKS
and
DEMONSTRATIONS
2010-2012

IMAGINATION Image Consultancy is based in Kent and is owned and run by Helen Kendall-Tobias.

In addition to her one-to-one work with personal clients, Helen has developed a number of talks which she presents to larger groups, e.g. ladies' sections at golf clubs, women's groups and social clubs, charity fundraising groups etc.

These talks last approximately 45 minutes, with additional time for questions and discussion.

Current talks and demonstration topics for 2009-2011 include:

50 WAYS TO TIE A SCARF

If you want to learn how to "twist" this is the demonstration for your group. A good selection of scarves is essential in every well-planned wardrobe. Scarves can quickly change the appearance of clothes, and bring new life to outfits.

Learn how to tie a scarf in 50 different ways in just 45 minutes. That's just over one per minute! For groups who want to get involved in the demonstration, the audience may bring their own scarves along for personal tuition.

PEARLS AND PRINCESSES. *New!*

Pearls come into a go out of fashion but have long been worn through history by the very wealthy and by royalty. Famous pearl wearers include Queen Elizabeth I and Jacqueline Kennedy. Cartier bought his famous 5th Avenue store in New York with two pearl necklaces.

How do tell a real one from a fake? What's the best way of caring for pearls? Are cultured pearls as good as the "real" thing?

Discover the world of the "Queen of Gems."

PACKING FOR YOUR HOLIDAY

When you go on holiday do you struggle to close your suitcase? Do you have to take extra bags to carry the overflow? Do you struggle to carry your luggage because it is so heavy?

If the answer to any of these questions is yes then you will find this talk essential. In just 45 minutes you will learn the fundamentals of the holiday capsule wardrobe so you never again go on holiday over-laden with unsuitable clothes. You'll be shown lots of tips and tricks to help you pack like a professional and Helen will let you in on some of her own packing disasters!

THE CAPSULE WARDROBE.

With a bit of know-how and planning it's easy to create a workable wardrobe with outfits suitable for every occasion, even on the tightest of budgets.

Discover the secrets to planning a Capsule Wardrobe and the 10 essential garments to complete every woman's wardrobe.

WRINKLES DON'T MATTER. *Updated!*

How to be absolutely fabulous - at any age! An inspirational presentation to show you that you're never too old to put your best foot forward! Learn the most common mistakes that we make as we get older, how to look more youthful, and how to dress appropriately for ones age.

COLOUR AND FASHION.

A whistle stop tour of dress through the ages looking at the role that colour has played in fashion.

This talk includes a look at the colours chosen and worn by people in the public eye such as the Queen, Mrs Thatcher, Hilary Clinton and Michelle Obama. It also brings us right up to date with the current colour trends.
